GOVERNING POLICY

Introduction

QIS College of Engineering and Technology, established in the year 1998 by Sri Nidamanuri Educational Society (SNES), has been granted Autonomous status by UGC and JNTUK, Kakinada w. e. f., 2015-16 to 2020-21 for a period of 6 years. This facilitates an academic freedom that QISCET formulates its own syllabus for all UG and PG courses, starting from the academic year 2015-16 and carries out the assessments also.

Governing Council

QISCET has constituted a Governing Council with members drawn from academic institutes, industry, nominees of Government at State and Central level for providing guidance. The Governing Council (GC) of the institute is constituted as per the UGC norms. The GC is headed by Sri N. Surya Kalyan Chakravarthy, an eminent Industrialist and Educationalist. The GC generally meets 2 to 4 times in a year and as and when it is required. The Academic Council meets twice in a year. The BOS meetings are also convened twice in a year and as required.

The GC has the following powers and responsibilities:

- Take all policy decisions for smooth and timely implementation of the institutional developmental activities.
- Enable implementation of all academic and non-academic institutional reforms
- Ensure proper utilization of project fund and timely submission of Financial

Management Reports (FMRs) and Utilization Certificates.

- Ensure compliance with the agreed procedures for procurement of goods, services and financial management
- Monitor progress in the carrying out of all the proposed project activities, resolve bottlenecks, and enable the institution to achieve targets for all key indicators.

General Procedure of Recruitment (Appointment Rules)

- a.** All posts at the Institute shall normally and, as far as possible, be filled by advertisement; but, the “GC” shall be the exclusive power to decide, either on its own or on the recommendations of the Principal, that a particular post be filled by invitation or by promotion from amongst the members of the staff of the Institute.
- b.** All appointments on the staff of the Institute shall be made only by the “GC” of the Institute, through its Chairman or authorized by the “GC.”
- c.** Appointments, with or without grades, in the Institute will be created on Ad-hoc, Temporary, Regular and Permanent basis by the “GC” as per the requirement of actual manpower, from time to time. The manpower requirement shall be ascertained on the basis of the desirable norms prescribed by AICTE or the appropriate authority from time to time. Additional posts may also be created, as required, for the extension of specific projects and/or research and development activities. All vacancies should be notified in reputed Newspapers etc.
- d.** The appointment of the Principal and all other teaching faculty members shall be made by the “GC” through its Chairman after ratification of his/her appointment by the Selection Committee constituted in accordance with the provisions of the affiliating university for the purpose. However, pending approval of their appointment by the Selection Committee, the Chairman “GC” may, at his discretion, appoint the Principal and/or members of the teaching faculty on a temporary basis, on such terms and conditions he deems fit.
- e.** All other appointments shall be made directly by the Chairman of the “GC” on the recommendation of the Principal. The Chairman of the “GC” reserves the exclusive right; however, to accept or not accept, any or all the recommendations made by the Principal in respect of any appointment.
- f.** The Selection Committee and/or University Committee will judge the suitability of all the candidates for the position concerned. Letters of confirmation in service shall only be issued by the Chairman “GC” to the Principal and members of the teaching faculty after their selection has been approved by the duly constituted Selection Committee.
- g.** Every appointment, whatever temporary, probationary, contractual or permanent is subject to a “Certificate of Fitness” issued by a registered medical practitioner approved by the Principal. This condition may, however, only be relaxed by the Chairman “GC” at his discretion, in special cases.

h. Every appointment whether ad-hoc, temporary, contractual or part time will be made for a specific tenure and all such appointments shall become invalid from the date specified in their appointment letter/contract. Such appointments, may however, be extended, subject to a written confirmation of such extension by the Chairman "GC" only, for such period(s) as he may deem fit, failing which, no extension shall be considered valid and binding on the Institute.

The "GC" shall have the power to extend the period of probation of any employee of the Institute for such periods as may be found necessary, provided that if, after the period of probation, the official is not confirmed, and, his/her probation is also not formally extended, he/she shall be deemed to have continued on a temporary basis and that his/her services may then be terminable on a month's notice or on payment of a month's salary thereof.

Re-employment

All appointments to posts under the Institute shall ordinarily be made on probation after which period the appointee, if confirmed, shall continue to hold his office subject to the provisions of the Service Rules, till the end of the month in which he attains the age of sixty-five years.

Provided that where the "GC" considers that in the interest of students and for the purpose of teaching and guiding the research scholars, any member of the academic staff should be re-employed, it may re-employ such a member till the end of the semester of the academic session as may be considered appropriate in the circumstances of each case. Provided further that where it becomes necessary to re-employ any such member beyond the end of the semester or academic session as the case may be, the "GC" may re-employ any such member for a period up to three years in the first instance and up to two years thereafter and in no case exceeding the end of the Academic Session in which he attains the age of 70 years as per AICTE guidelines.

Termination

The "GC" shall have the power to terminate the services of any member of the staff without any cause assigned during the period of probation. However, due notice shall be given for this.

The notice period for non-probationary staff is as under

- Principal(s), Deans and Controllers: Three months
- Faculty members and lab staff: One month or end of semester whichever is later
- All other staff: One month

The "GC" shall have the power to terminate the services of any member of the staff by giving appropriate notice or on payment of salary for the notice period in lieu thereof. An employee of the Institute may terminate his/her engagement by giving appropriate notice in writing.

In the event of any act prejudicial to the interests of the Institute by an employee, his/her services may be terminated by the Chairman "GC" without any notice or payment in lieu of notice.

Service of an ad-hoc, temporary, contractual or part-time employee shall come to an end on completion of the specified work for which he/she was employed or on the expiry of the period for which he/she was appointed, whichever is earlier. But,

before the expiry of the said period or work, as the case may be, services of the employee could be terminated by the Chairman "GC" by giving one month notice or one month's salary in lieu of notice, without assigning any reason whatsoever.

Retirement

Every employee of the Institute shall retire on attaining an age as provided for by regulatory bodies like the AICTE and in force from time to time. Extension or re-employment may also be given according to such provisions, at the discretion of the "GC" only, on such terms and conditions it deems fit.

Terms of Temporary Employment

The service of a temporary employee shall be liable to termination at any time by notice in writing given either by the employee to the "GC" or by the "GC" to the employee. The period of such notice shall be one month, unless otherwise agreed to by the Institute and the employee.

The other terms and conditions of service of such employee shall be such as may be specified by the "GC" in his/her letter of appointment.

Appointments on Contract

Notwithstanding anything contained in these Service Rules, the "GC" may, in special circumstances, appoint an eminent person on contract for an initial period not exceeding five years, with a provision of renewal for further period, on such terms and conditions it may deem fit.

Place of Posting

Place of work of an Employee will either be at the registered office of Promoter Society/Trust at Head Office or at the Institute at location, all employees may also be transferred by the "GC" to any other Institute, at any other location which may hereinafter be established or managed by SNES. In such an event, the transferred employee shall be obligated to relocate unconditionally.

The Committee shall consider promotion of teaching staff to the next higher position on the basis of the guidelines given in this chapter and as per AICTE norms, subject to the condition that there has not been any disciplinary action taken against such candidate for promotion, for any misconduct he/she has committed during the service.

Under normal circumstances the senior most member of the staff shall be considered for **promotion to the next higher level position**, subject however, he/she had completed the years of service in the present position as prescribed below and should have obtained AICTE prescribed qualification:

a. Associate Professor: Ph.D. with minimum of 5 years of experience in teaching of which 2 years post Ph.D. experience is desirable

b. Professor: Ph.D., with minimum of 10 years teaching / research experience of which at least 5 years should be at the level of Associate professor.

Those who are promoted shall be fitted in the Scale of Pay applicable to that category.

(b) If he/she deserves promotion based on their experience and extra-ordinary performance or the skills which are useful to fill the gap between Industry and Institute where GC approval is must.

(C) Professor of Eminence post may be filled as per AICTE norms.

Leave Rules

Definitions

Holiday: Holiday means a day declared by a notification of the Institute to be non-working day for all employees except those otherwise specifically asked to attend the institute.

Salary: Salary means the monthly remunerations drawn by an employee including basic pay, dearness allowance, personal pay, special pay, HRA etc.

Retirement: The term refers to superannuation after attaining the age of 65 years. It has all other connotations as applied to a government department including premature retirement.

General

Leave is a privilege and not a right: It may be refused or revoked by the authority empowered to grant it. It would, however, generally be granted unless the exigencies of service demand otherwise.

Leave Application: The Application shall be submitted on prescribed form well in advance and shall be got sanctioned before availing of the leave. The faculty members shall make alternate arrangements/internal adjustments among the faculty members of his/her or any other department to keep the students engaged.

No leave can commence unless it has been sanctioned: Mere submission of leave applications does not authorize an employee to avail the leave applied for. Availing

of leave without getting the same sanctioned makes the employee liable to disciplinary action besides penal deductions.

No leave will be sanctioned on telephone except in case of extraordinary circumstances/sudden illness, etc. This shall however be regularized immediately on joining the duty in writing.

Continued absence of more than six days, or repeated irregularity without intimation of any kind may render an employee liable to disciplinary action including termination of services.

Kinds of Leave:

Provision exists for the following kinds of leave:

- (a) Casual Leave (CL)
- (b) Compensation Leave (CoL)
- (c) Medical Leave (ML)
- (d) Earned Leave (EL)
- (e) Leave Without Pay (LWP)
- (f) Extra-ordinary Leave (EOL)
- (g) On Duty (OD)
- (h) Study Leave
- (i) Maternity Leave (ML)

The rules and norms governing the grant of leave are given below. Any exceptions from these rules due to emergencies or rarest of rare circumstances may be considered by the GC in its sole discretion. The decision of the GC in this regard shall be final and binding.

Casual Leave (CL)

Maximum of 15 days of casual leave in one calendar year is considered. A minimum of half ($\frac{1}{2}$) day or a maximum of three (03) days of CL can be availed of at one time. CL can be pre-fixed/suffixed with all types of holidays/leaves. CL will not be carried forward to next calendar year and will lapse at the end of the ensuing calendar year.

Compensation Leave (CoL)

Compensation leave may be granted in case of he/she works on holiday / second Saturday. CoL will not be carried forward to next calendar year and will lapse at the end of the ensuing calendar year.

Medical Leave (ML)

Medical leave may be granted in case of sickness of the employee and not his / her dependants. Medical certificate from a Doctor would be required in case of absence of three days or more.

- For every 12 months of service, 5 days of medical leave shall be credited to the leave account of the employee (January to December).
- Medical leave may be combined with other leaves.
- In a year, 15 days of medical leave may be availed.
- Medical leave can be carried forward and accumulated up to a maximum of 30 days.

Earned Leave (EL)

- EL is admissible to an employee to a maximum of 5 days in a year based on his attendance in the respective year.
- Earned leave can be pre-fixed /suffixed with other holiday /leaves.
- Earned leave can be encashed if accumulated ELs are 50.
- A maximum of 07 (Seven) days EL may be granted during the semester under exceptional circumstances with the approval of GC.

Leave with-out Pay (LWP)

- No provision as such exists for the grant of leave without pay. However, for reasons beyond one's control, if any employee has to avail leave in excess of authorization, he may be granted, "Leave without pay "at the discretion of the GC subject to exigencies of service.
- Absence of an employee without sanctioned leave is a case of indiscipline and does not fall under this category.
- Leave without pay shall also be got sanctioned in advance as any other leave.

Extra Ordinary Leave (EOL)

As the name suggests, this leave is granted under extra-ordinary circumstances only. This may include the following: -

- Prolonged sickness of self or a family member
- Higher education
- Forced exile /renunciation.

On Duty (OD) Leave

An activity of an employee which can bring recognition to the Institute, or which has to be performed for work of the affiliating University may be considered for grant of this leave. Normally, this leave is not granted for remunerative work of other universities / colleges.

OD cannot be availed of unless previously sanctioned/approved by the Principal. There is no provision for post factor approval of OD.

Duty leave may be granted for one or more of the following purposes:

- To deliver academic lecture in highly reputed / ranked organizations
- To attend meetings of the BOS, examination committees etc. of the Universities / Colleges.
- To present a research paper in a conference /symposium of National / International Level or to attend a Quality Improvement Programs QIPs when duly authorized by the Principal.
- To attend selection committee or other such like committee meetings provided they are convened by a statutory body / university recognized by the Government.
- To inspect academic institutions attached to a statutory body or a university recognized by the government.
- Any other special case on merit as approved by GC on the basis of recommendation of the Principal.
- Affiliating university works.

The OD leaves will normally be restricted to a maximum of 15 days during a calendar year, but may be extended subject to the approval of competent authority. The Leave is subject to the following condition: -

- There exists a written request from the competent authority.

Study Leave

The faculty members become eligible for study leave as per the following provisions:

- Ph.D. (part time):
 - The faculty member may be granted study leave with full pay for 6 days maximum in a year (for four years maximum) during summer/winter vacation subject to the conditions that (1) the faculty member gives an undertaking to serve the institute for two years after completion of Ph.D. and (2) the faculty member submits a certificate from the supervisor to the effect that he/she has utilized the vacation period for research work to the satisfaction of the supervisor.

Maternity Leave

Eligibility:

The permanent employees who have more than one year service at the Institute and have no children or at most one surviving child are eligible for grant of maternity leave. A suitable medical certificate from a competent doctor must be attached with the leave application.

- Maternity leave can be granted for a period of 90 days at the maximum.
- During the leave period, a medical certificate and progress report from a competent doctor must be submitted. In the absence of such report, the leave salary shall not be paid.
- 45 days' salary is paid after rejoining.

Duties of the Faculty

Professor / Associate Professor / Assistant Professor:

The content of the syllabus, as prescribed by the University, should be projected to the class by the teacher at the beginning. A copy of the syllabus will be made available at QIS College of Engineering & Technology library for photocopying by the students.

The faculty should project the topics, number of lectures proposed, reference of source material etc.

An academic session at QIS College of Engineering & Technology is based on the semester system.

Evaluation of the examination script has to be completed within a week as the name of the students where performance is poor has to be sent to the parents.

The faculty (consulting as well as full time) is required to ensure that, in case of inability to take any class due to unavoidable circumstances, a prior alternate arrangement is done with the help of coordinating faculty so that classes are held. An extra class should be arranged to compensate for the class not engaged. The students should not be allowed to enter a class after five minutes of the start of the class.

In view of instances of the students seeking the intervention of court and also as a part of professional ethics, it is essential that extreme care is taken in matters of attendance and grades respectively.

The attendance record should be submitted to Class Coordinator the faculty at the end of each fortnight for reporting to students / parents for cases of shortage.

The effectiveness of class teaching is assessed through feedback questionnaire and class committee discussion. The teacher is also expected to provide feedback on students.

Tutorials:

A faculty (full time / visiting), associated with tutorials, is required to follow the framework agreed by QIS College of Engineering & Technology faculty board regarding conducting tutorial classes. The tutorial should be student centered rather than teacher centered.

Tutorial sheets are to be given in advance to the students. The students are expected to submit the solutions within a stipulated time. The faculty should insist that students are made to work for assignment and grading system should reflect the weightage of the effect as well output.

The attendance record has to be submitted to co-ordinating faculty at the end of each fortnight as they have to be communicated to student / parent.

Practicals:

The experiments are to conform to the theoretical topics of the corresponding subject.

The laboratory assistant has to be instructed to make materials / components available.

If a student is found not to have done an experiment properly or to have done without conceptual clarity, he should not be allowed to take up next experiment.

The student should be made to develop the understanding of data sheets, manuals and instruments used.

Professional concurrent documentation should be insisted from the students.

In the beginning of a semester, tutorial class may be used to explain the experiments to the students.

Meetings:

Interactive participation and co-operation between the Principal, teaching faculty and other staff on an ongoing basis is of vital importance for the continuous progress and development of an educational Institute. Accordingly, regular meetings between faculty groups and others shall be held to discuss new and innovative ideas for improving and/or upgrading the activities of the Institute and to discuss problem areas, if any. Participants of such meetings shall also suggest appropriate measures to resolve problems if any.

Positive participation in the affairs of the Institute shall be reflected through active participation in such meetings. Once a quarter or more frequently, as may be prescribed by the Principal, attendance of all teachers and other members of the Staff at such meetings is compulsory.

Duties of the Administrative Staff:

Administrative staff shall be comprised of such functionaries as Librarian, Administrative officer, Accounts, Clerks, etc, who shall be assigned duties by the Principal as deemed the best for the smooth functioning of the Institute.

- A service book and a leave account for each employee shall be maintained and updated from time to time. The entries relating to family history, permanent and present address, date of birth, medical history, educational and professional qualifications, past service record, emergency contact details etc. shall also be made.

Employees are obliged to inform immediately in writing to the Principal, any change in their particulars and ensure that the change if any, has been entered in the service record. Suppression, concealment or misrepresentation of any information shall be a serious breach of the service rules and shall invite strict disciplinary action including suspension and or termination from service.

Duties and Responsibilities of Lab Asst./Workshop Technicians/Lab Technicians:

a. Drawing the Keys and Getting Cleanliness Done: They come well on time for their duties and draw the keys exactly. They should get the floors cleaned by the sweepers detailed for their labs. All tables and instruments must be cleaned by themselves.

b. Security: They will not hand over the keys of their labs to anybody except the lab in-charge. They will not leave the lab unattended at any time. They will lock it whenever they go out, even for a short while. Merely closing doors without locking is not enough. They will be cautious and vigilant during practicals / classes and

ensure that no single item is taken away by anybody. They will ensure that the lights and fans are put off, when not required and at long closing time. They are to make sure that all doors and windows are closed and bolted properly. If any item is missing during working hours, it will be their sole responsibility. They will hand over the keys themselves to the key at department and make necessary entries in the key register.

c. Taking on Charge and Issuing of Items: They will ensure that all the consumable/ non- Consumable items are taken charge in the stock register, provided for that purpose. The service-ability of the items will be checked up in the presence of Lab In-charge / HOD of the department and checklist proforma is to be raised, which is available in the Admin Section. Items will be issued in the loan register. No item will be issued to anybody without taking his/her signature in the loan register / a suitable format.

d. Use of Official Telephone: They will make minimum use of the official telephone. It can be used for official purpose only. No personal call should be made.

e. Cooperation and Assistance: They will provide full-cooperation and assistance to all the faculty members in carrying out their duties properly. Any lapse in performing the above duties will invite disciplinary action without prior notice.

f. There should be **periodic check** on the working of the equipment. Any malfunction should be reported to the supervisor/co-coordinator /HOD formally and steps should be taken to remedy and malfunctioning.

g. Technicians should ensure that all catalogues, data sheet, laboratory manuals etc. related to equipments, components, experiments of the laboratory are available for reference. Such documents should be issued to the students for photocopying only for the relevant portion.

h. The tables, the almairahs and the equipments should be maintained in an orderly fashion and cleanliness should be ensured.
