Mode of Session	:	Offline
Meet App	:	NA
Total number of Participants	:	Attended : 63

Brief details of the event:

QISCET – EDC & IIC conducted a Session on “How to plan for Start-up and legal & Ethical Steps” on 19.07.2023. The speaker of the session was Dr. N.S.Kalyan Chakkravarthy. He highlighted the technology and community resource incubation opportunities available in the campus for the students looking to start their startup.

Response of the audience: The students understood the importance of starting their own ventures to create jobs in around their place. Entrepreneurs and organisations can acquire a holistic perspective of their operations, discover opportunities for improvement, and innovate to create new value.

Ponduru Road, Vengamukkapalem, Ongole, Prakasam (Dt), Andhra Pradesh - 523272

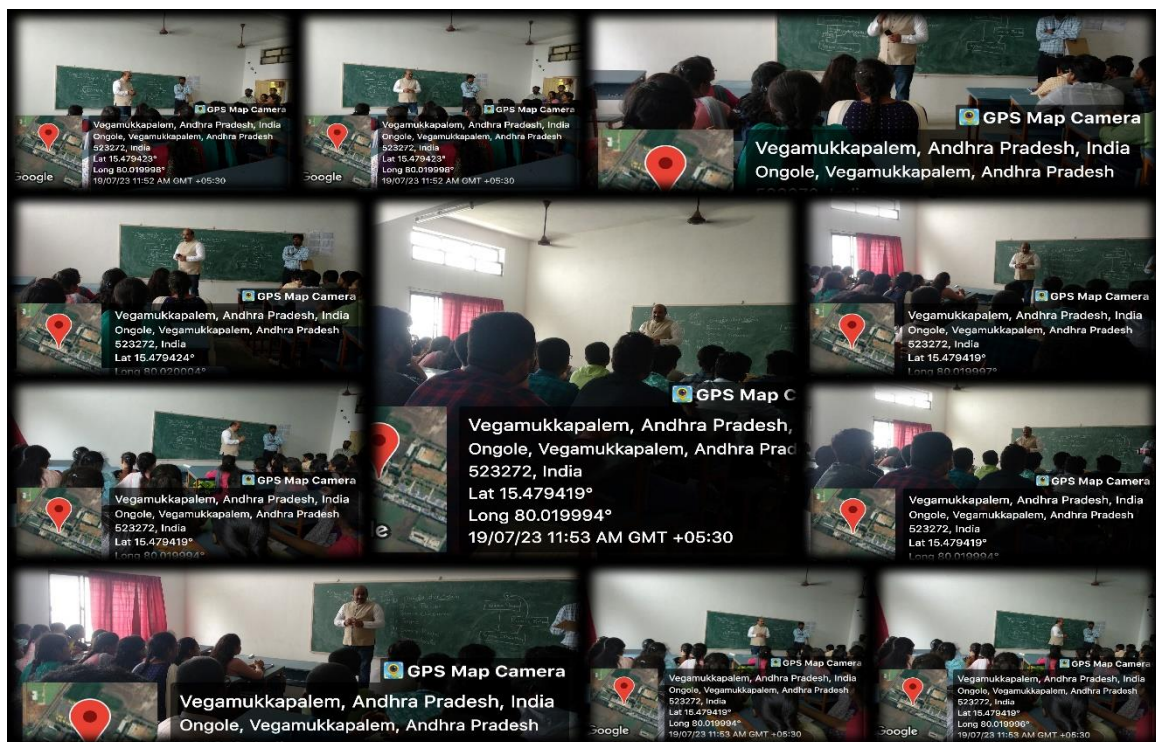

Learning Outcomes:

Students are understood the facilities, process and infrastructure available in the campus to start their company by utilizing the available resources and can come up with new startups based upon their ideas. By carefully navigating these steps, they can establish a solid foundation for their startup's growth and success while maintaining a strong ethical and legal standing.

Expert Narration:

He explained Incubation programmes have gained popularity as effective forums for incubating new ideas, encouraging entrepreneurship, and driving business growth. These programmes create a supportive environment in which students and faculty may turn their ideas into viable enterprises, receive mentorship, gain access to resources, and network with industry experts.
