Brief details of the event:

The Innovation & Entrepreneurship Outreach Program for Schools organized by QISCET – IDEA Lab & IIC was a pioneering initiative aimed at fostering innovation and entrepreneurship among school students. The event, held on February 2, 2024, featured a series of interactive sessions and workshops designed to ignite creativity and inspire young minds. Participants had the opportunity to engage with experts in the field, learn about the principles of innovation and entrepreneurship, and explore their own potential as future innovators and entrepreneurs. The event not only provided valuable insights and knowledge but also served as a platform for networking and collaboration among students and educators. Overall, the event was a resounding success, leaving a lasting impact on all who attended.

Response of the audience: The audience responded enthusiastically to the Innovation & Entrepreneurship Outreach Program, showing great interest in the sessions and workshops. They were inspired by the opportunity to explore innovation and entrepreneurship at a young age, eager to learn and develop their skills. Overall, the event sparked a sense of creativity and ambition among the participants.
