HOW TO BECOME AN ENTREPRENEUR
11th JULY 2019

QIS College of Engineering and Technology has organized one day Entrepreneurship awareness camp "How to become an Entrepreneur" program for UG students

The entrepreneurship awareness camp "How to become an Entrepreneur" program received an overwhelming response with more than 150 participants registered. There are 120 students attended from our college. There are two resource persons 1. Dr B. Krishnaiah 2. Mr. Ram Manohar for conduction of EAC programme.

Session details:

EAC was inaugurated on 11thJuly, 2019 by Dr. K Vasudevan, Associate Professor EEE Department, QIS College of Engineering and Technology.

Dr. K Vasudevan has welcomed all the dignitaries and delegates. In his welcome speech, he highlighted the importance and objectives of organizing this entrepreneurship awareness camp program. Dr. M. Kavitha, Associate Professor/EEE introduced the guest speakers Dr B. Krishnaiah, Assistant Professor, MBA Dept, SRKIT, Vijayawada and Mr. Ram Manohar, Proprietor, Ensemble IT solutions, Erode, Tamilnadu.

On the first session, Dr B. Krishnaiah explained the need and relevance of this workshop and focused more on the plan creation and the steps to follow to be an entrepreneur. He deliberated more on the desires of students and explained in detail about practical difficulties to overcome. He discussed various problems with examples. Each problem was explained with worked examples and followed by the students solved the problem and shared their results. On the afternoon session, Mr. Ram Manohar discussed the ideas and about hard work to become a successful entrepreneur. He shared the chances of success and failure and the average salary should pay themselves. And about fulfillment, freedom, experience, & contacts that can achieve as an entrepreneur. At the end, afternoon session was concluded with a vote of thanks given by Dr.A. Prakash, EDC Coordinator.

Program Outcomes

Students have benefited by this workshop and understood the basics of entrepreneurship skills and learnt to make their idea into their own startup.
